

The MASH Test

What is The MASH Test?

What's your personality type? Find out about yourself and others by running the MASH test. This card game is guaranteed to break the ice with any group and get everyone talking. This fun and easy-to-use card game is for groups of undergraduates and year 11–13 students.

What you with the MASH test:

The MASH test easy-to-store pack consists of MASH test cards, full instructions, a training DVD, facilitator notes and student worksheets.

Each pack provides sufficient cards for 10-13 students.

How to use it:

The MASH test is great for team building.

Players learn more about themselves and their preferences.

The MASH Test can be used time and time again and will not go out of date as student finances change.

Is it reliable:

The MASH test is tried, tested and trusted – developed with students and trialled by student ambassadors in schools and colleges.

96% of students said that they knew more about student finance after completing the MASH test.

The MASH test has been awarded the pfeg quality mark.

The Mash test is the first module of a wider set of resources called UNIAID interactive. To see more of the UNIAID Interactive resources and cost effective packages including the MASH test visit
